

Child Care Quality System Infant Toddler Quality Support Incentive

Goal

To provide supplies and equipment to eligible programs that

1. Care for children under 36 months of age and
2. Participate in the Child Care Quality System (CCQS).

Eligibility

- Be a licensed Center or Family Child Care Program that has achieved a Certified Foundation of Quality or Building Quality rating in the Child Care Quality System (CCQS) on or after January 1, 2023.
- Provide childcare for children under the age of 36 months.

Infant Toddler Quality Support Incentive Plan

Eligible programs will:

- Be sent information about this opportunity after receiving notification of their CCQS Certified Quality Rating
- Submit a completed application and all required documentation by designated due dates.
