* Case counts may change slightly when final report is compiled.

Percentages in the top table are given as percentage of the total caseload for the month.

Percentages in the bottom table are given as percentage of the FEP caseload for the month.

TCA cases are a subcategory of FEP and are included in the FEP count.

** eREP cases are included from Feb-09 forward with the following amendments:

eREP TCA Cases are not listed by month but are included in the total count.

*** As of Jul 2010 case data is provided solely using the eREP system
