

## **Salt Lake Tooele Employer Committee (SLTEC) Meeting**

Wednesday, December 5, 2007

7:30 – 9:00 a.m.

Intermountain Medical Center

**In Attendance:** Amber Adams, Jennifer Bastian, Julia Bench, Carmen Bowles, Julie Colby, CiCi Compton, Jill Boyle, Encarni Gallardo, James Glade, Sarah Gloyn, Donna Gonzalez, Myke Higgins, Tammy Johnson, Tina Kappos, Jill Kelsch, Christine Kronkow, Paul Ledesma, Faye Martell, Laurel Morris, Sean Morris, Debbie Pazos, Wendy Petric, Lauren Royle, Craig Sandberg, Tracy Taggart, Jennifer Tate, Lance Wallace, and Delana White.

**Excused:** Dave McCall and LaRie Nelson.

Sarah Gloyn welcomed everyone and congratulated the new SLTEC officers. Christine Kronkow made a motion to approve the minutes. Jill Boyle seconded the motion, and the committee members approved the minutes.

Carmen Bowles reviewed the November BYB. Twenty-three people registered and eight attended. Lauren reviewed the December seminar, Generations and Diversity. Eighty-four people attended. The committee discussed the low attendance and concluded that one reason was because the presenter, Tammy Bigelow had presented this topic to several different groups within the last year.

Laurel reminded SLTEC committee members that they are entitled to attend seminars free of charge. She recommended that if they could not attend, to send a staff member in their place. Faye suggested that they give us the name of the person attending in their place.

### **Summary - Recommendations for Workshops and Seminars for 2008:**

CiCi suggested we change the date for the legal updates due to another seminar on the same subject in May. CiCi also suggested doing a BYB for employers on how to better accommodate our servicemen and women called to duty. The presenter could cover the impact on not only businesses, but the families as well. Lance with Lion Heart Group offered the help of the Army Community Services to present these workshops.

### **Planning and brain storming for 2008 business meetings:**

February - Christine will reserve a room, one suggestion is to discuss Disaster Planning  
If a decision is made to go with that topic, CiCi and Wendy could assist with arrangements.

April – Lance will reserve a room at Tooele Army Depot; the suggested topic is Work Growth Economics.

June – Sean Morris will provide a presentation on dealing with mental health issues in the workforce.

August – Will be held in Tooele; Subject to be determined.

Other Suggestions – CiCi suggested that the group may be interested in a program that her company sponsors called the Mesa Club Scholarship for math and science starting at the Jr. High level.

Christine mentioned the High School presentations that DWS has done in the past and she wondered if DWS still offers this resource. Laurel and Faye indicated that due to funding and staffing restrictions, Central Region no longer conducts high school presentations.

Wrap-up: Recognition was given to SLTEC members for 2007 accomplishments.

**Next Meeting will be held on Wednesday, February 6, 2008, 7:30 a.m. at SOS.**
