Last update: 5/18/12

While every effort is made to ensure that program information is accurate and timely, this information is an estimate only. Program costs, contact names, addresses, phone numbers and other information are subject to change. All programs offered by schools that provide federal financial aid are approved. See the school's website for full program information. This list does not constitute or imply endorsement or recommendation by DWS. Customers are encouraged to obtain more information to ensure programs have state of Utah accreditation and to better evaluate employment trends and opportunities. Page 28 of 28
