

## Youth and Early Care Workforce Bonus

### How to Find your Program/Facility's License Type and Facility ID Number

1. Go to <https://ccl.utah.gov> on Utah's Child Care Licensing website.
2. Use the "Find a Facility" search to locate your facility's licensing record. If you work at more than one facility, select your main site location. If you do not know your facility's official name, use the search filters to narrow down your results. (Please note that you do not need to log in to use this search feature.)
