

September School List

The chart below is a list of schools that reported students eligible for free or reduced-price meal benefits as of May 1st 2023. These students will be issued a one-time Summer P-EBT benefit of \$120 in September 2023. Payments will be uploaded onto existing EBT or P-EBT cards. New P-EBT cards will be mailed in cases where households have not previously been issued an EBT or P-EBT card.

†This is the school's first file submission.

*This school's file contains a small list of eligible students missed from the July 2023 issuance.

September issuance is only for students that have not yet been issued the one-time 2023 P-EBT benefit.
