

The Department of Workforce Services, Office of Child Care (DWS, OCC) is funding the organizations listed below with a *School-Age Summer Program Expansion Grant* as part of ongoing COVID-19 response efforts. These organizations offer a formally-supervised summer program for children ages 5-12 years old, with a focus on social and emotional learning to support youth development following an unusual school year due to the pandemic.

Programs are required to utilize a sliding scale fee structure to ensure families can afford care. Families needing assistance to cover the cost of child care can apply for a subsidy at jobs.utah.gov.

This is not a comprehensive list of all programs that may be located in an area, nor all programs that are supported by DWS, OCC. Families are encouraged to visit careaboutchildcare.utah.gov or utahafterschool.org to find additional programs and resources regarding summer or ongoing child care needs.
