

In 1994 the US Department of Housing and Urban Development (HUD) consolidated the planning, application, reporting, and citizen participation processes of the Community Development Block Grant (CDBG), Home Investment Partnerships (HOME), the Housing Trust Fund (HFT), Housing Opportunities for Persons With Aids Program (HOPWA) and the Emergency Shelter Grants (ESG). The Citizens Participation Plan documents the State of Utah's policies and procedures for participation and outreach as the State develops the 5-year Consolidated Plan, Annual Action Plan, Consolidated Annual Performance and Evaluation Report (CAPER) for these funding programs.

The Housing of Community Development (HCD) Division and the Office of Homeless Services (OHS) are seeking input on an update to the Citizens Participation Plan and the processes for outreach and engagement for the development of plans for the Consolidated Planning and Development programs.
