

## FY 2019 HOMELESS HEALTH AND WELLNESS

The Housing and Community Development Division (HCD), Homelessness Programs Office is soliciting proposals for a non-profit organization to coordinate with, and fund homeless health and wellness programs and services that serve homeless persons state-wide and according to the U.S. Department of Housing and Urban Development’s definition of homelessness (<https://www.hudexchange.info/resource/2020/the-homeless-definition-and-eligibility-for-shp-spc-and-esg/>).

During the 2018 General Legislative Session, \$750,000 in one-time funding was appropriated for “Homeless Health and Wellness”. HCD staff convened a group of homeless service providers and community advocates to brainstorm the homeless health and wellness needs in the community. The State Homeless Coordinating Committee approved these funds to be released for a Homeless Health and Wellness Coordinator.

### Eligible Programs and Services

The Homeless Health and Wellness Coordinator will fund programs and services with homelessness and health care providers that:

- Coordinate with and support integrated health and wellness services
- Provide health and wellness education
- Engage and connect homeless individuals and families to resources
- Provide urgent, non-facility-based care
- Provide transportation for coordination of health and wellness activities, and
- Conduct assessments

### Information and Guidance
