### Description of Grant

DWS is requesting grant applications from organizations currently providing youth services or refugee services. The objective of this grant is to provide eligible Afghan populations ages 15-24 with youth mentoring services, including but not limited to, youth assessments, case management, mentor recruitment and management, and individual or group activities related to identified youth needs and goals (see Office of Refugee Resettlement [\(ORR\) Policy Letter 19-02](#) – Youth Mentoring Program under ORR YM Funding).

## Background

1. Many refugees have an interrupted formal education background, lack of supportive mentors in their lives, and limited opportunities for engagement and social integration with their American-born peers. The Department of Workforce Services – Refugee Services Office (DWS-RSO) provides Office of Refugee Resettlement – Afghan Supplemental Appropriations Youth Mentoring (ORR-ASA YM) funding for activities that lead to the effective integration and education of refugee children. The Afghan Youth Mentoring (ASA YM) program funds Grantees to match eligible youth with mentors and programming to support successful integration and help the youth to thrive.
2. The ASA YM program goals are to provide positive civic and social engagement and support individual educational and vocational advancement. To accomplish these goals, Grantees will match eligible youth with positive adult mentors who will provide the youth with personal interaction, as well as facilitate programming to help youth cultivate youth-initiated mentorships. Grantees will also provide case management to support educational and career development.

## Eligible Populations

Grant funds may only be used for services provided to eligible Afghan youth. Congress, through the Afghanistan Supplemental Appropriations (ASA) Act of 2022, authorized ORR to provide resettlement assistance and other benefits available to refugees to specific Afghan populations (see [ORR Policy Letter 22-01](#) - Afghan Humanitarian Parolees and Unaccompanied Afghan Minors Eligible for ORR Benefits and Services; ASA-Eligible Afghan Populations). Afghan populations identified in ORR Policy Letter 22-01 are eligible for services provided under this grant. Services may be provided to youth within their first five years (60 months) of US arrival or other ORR-identified eligibility date, but grantees should prioritize services to youth who have been in the US for one year (12 months) or less and those requiring additional social, academic, vocational, or emotional support.

## Scope of Work

The proposed Scope of Work, including allowable services, has been attached to this Request for Grant Applications (RFGA). Applicants should review the Scope of Work for detailed requirements and performance expectations before submitting their responses to the Application requirements.

If the repaired or replaced goods and services are inadequate or fail their essential purpose, Grantee will refund the full amount of any payments that have been made. Nothing in this warranty will be construed to limit any rights or remedies the State may otherwise have.

28. **TIME OF THE ESSENCE:** Services shall be completed by the deadlines stated in this Agreement. For all Services, time is of the essence. Grantee is liable for all damages to DWS, the State, and anyone for whom the State may be liable as a result of Grantee's failure to timely perform the Services.

The use or disclosure by any party of any personally identifiable information concerning a recipient of services under this Agreement, for any purpose not directly connected with the administration of DWS's or GRANTEE'S responsibilities with respect to this Agreement is prohibited except as required or allowed by law. GRANTEE shall be responsible for any breach of this duty of confidentiality, including any required remedies or notifications under applicable law. GRANTEE shall indemnify, hold harmless, and defend DWS and the State of Utah, including anyone for whom DWS or the State of Utah is liable, from claims related to a breach of this duty of confidentiality, including any notification requirements, by GRANTEE or anyone for whom the GRANTEE is liable. This duty of confidentiality shall be ongoing and survive the termination or expiration of this Agreement.
- 36. **RECORDS ADMINISTRATION**: GRANTEE shall maintain or supervise the maintenance of all records necessary to properly account for GRANTEE's performance and the payments made by DWS to GRANTEE under this Agreement. Non-governmental entity GRANTEES shall provide Certificate(s) of Insurance, showing up-to-date coverage, to DWS within thirty (30) days of Agreement award. Failure to provide proof of insurance as required will be deemed a material breach of this Agreement. GRANTEE's failure to maintain required insurance for the term of this Agreement will be grounds for immediate termination. DWS reserves the right to require higher or lower insurance limits where warranted. The carrying of insurance required by this Agreement shall not be interpreted as relieving GRANTEE of any other responsibility or liability under this Agreement or any applicable law, statute, rule, regulation, or order.
- a. Commercial general liability (CGL) insurance from an insurance company authorized to do business in the State of Utah. The limits of the CGL insurance policy will be no less than one million dollars (\$1,000,000.00) per person per occurrence and three million dollars (\$3,000,000.00) aggregate per occurrence. Non-governmental entity GRANTEE must add the State of Utah, DWS as an additional insured with notice of cancellation.

The minimum liability limit must be \$1 million per occurrence, combined single limit. The CAL insurance policy is required if Grantee will use a vehicle in the performance of this Agreement. If GRANTEE subcontracts with another entity or individual for transportation services, or services that include transportation services, GRANTEE may satisfy this insurance requirement by submitting proof that the subcontractor has complied with this section and agrees to the Indemnity section of this Agreement.
  - c. If GRANTEE employs doctors, dentists, social workers, mental health therapists or other professionals to provide services under this Agreement, GRANTEE shall maintain a policy of professional liability insurance with a limit of not less than one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000) aggregate. This professional liability insurance ("malpractice insurance") shall cover damages caused by errors, omissions or negligence related to the professional services provided under this Agreement.
  - d. Workers' compensation insurance for all employees and subcontractor employees. Workers' compensation insurance shall cover full liability under the workers' compensation laws of the jurisdiction in which the service is performed.
  - e. GRANTEE also agrees to maintain any other insurance policies required in the Agreement. Grantee shall add the State as an additional insured with notice of cancellation. Grantee shall submit certificates of insurance that meet the above requirements prior to performing any Services, and in no event any later than thirty days of the Agreement award. Failure to maintain required insurance or to provide proof of insurance as required is a material breach of this Agreement and may result in immediate termination.
39. **FINANCIAL REPORTING AND AUDIT REQUIREMENTS:** GRANTEE shall comply with all applicable federal and state laws and regulations regarding financial reporting and auditing, including but not limited to 2 CFR 200, Subpart F; Utah Code: 51-2a-201.5, Utah Code: 53A-1a-507. Utah Admin. Code Rule R123-5, the *State of Utah Compliance Audit Guide* (SCAG). Further information on financial reporting and audit requirements is available at [auditor.utah.gov](http://auditor.utah.gov).
40. **BILLINGS AND PAYMENTS:** Payments to GRANTEE will be made by DWS upon receipt of itemized billing for authorized service(s) supported by appropriate documentation and information contained in reimbursement forms supplied by DWS. Billings and claims must be received within thirty (30) days after the last date of service for the period billed including the final billing, which must be submitted within thirty (30) days after Agreement termination or payments may be delayed or denied. DWS must receive billing for services for the month of June no later than July 15th, due to DWS's fiscal year end. Billings submitted after this date may be denied. DWS will not allow claims for services furnished by GRANTEE which are not specifically authorized by this Agreement. DWS has the right to adjust or return any invoice reflecting incorrect pricing.
41. **PAYMENT WITHHOLDING:** GRANTEE agrees that the reporting and record keeping requirements specified in this Agreement are a material element of performance and that if, in the opinion of DWS, GRANTEE'S record keeping practices or reporting to DWS are not conducted in a timely and

satisfactory manner, DWS may withhold part or all payments under this or any other Agreement until such deficiencies have been remedied. In the event of the payment(s) being withheld, DWS agrees to notify GRANTEE of the deficiencies that must be corrected in order to bring about the release of withheld payment.

42. **OVERPAYMENT/AUDIT EXCEPTIONS/DISALLOWANCES:** GRANTEE agrees that if during or subsequent to GRANTEE’S CPA audit or DWS determines payments were incorrectly reported or paid, DWS may amend the Agreement and adjust the payments. To be eligible for reimbursement GRANTEE expenditures must be adequately documented. Upon written request GRANTEE will immediately refund to DWS any overpayments as determined by audit or DWS. GRANTEE further agrees that DWS shall have the right to withhold any or all subsequent payments under this or other Agreements with GRANTEE until recoupment of overpayment is made.
43. **UNUSED FUNDS:** Any funds paid by DWS that are not appropriately used as authorized by this Agreement must immediately be returned to DWS.
44. **REDUCTION OF FUNDS:** The maximum amount authorized by this Agreement shall be reduced or Agreement terminated if required by federal/state law, regulation, or action or if there is significant under-utilization of funds, provided GRANTEE shall be reimbursed for all services performed in accordance with this Agreement prior to date of reduction or termination. If funds are reduced, there will be a comparable reduction in the amount of services to be given by GRANTEE. DWS will give GRANTEE thirty (30) days’ notice of reduction.
45. **PRICE REDUCTION FOR INCORRECT PRICING DATA:** If any price, including profit or fee, negotiated in connection with this Agreement, or any cost reimbursable under this Agreement was increased by any significant sum because GRANTEE furnished cost or pricing data (e.g., salary schedules, reports of prior period costs) which was not accurate, complete and current, the price or cost shall be reduced accordingly. The Agreement may be modified in writing as necessary to reflect such reduction, and amounts overpaid shall be subjected to overpayment assessments. Any action DWS may take in reference to such price reduction shall be independent of, and not be prejudicial to, DWS’s right to terminate this Agreement.
46. **FINANCIAL/COST ACCOUNTING SYSTEM:** GRANTEE agrees to maintain a financial and cost accounting system in accordance with accounting principles generally accepted in the United States of America. An entity’s accounting basis determines when transactions and economic events are reflected in its financial statements. An entity may record its accounting transactions and events on a cash basis, accrual basis, or modified accrual basis; however the cash method of accounting is not appropriate for governmental entities. GRANTEE further agrees that all program expenditures and revenues shall be supported by reasonable documentation (e.g., vouchers, invoices, receipts), which shall be stored and filed in a systematic and consistent manner. GRANTEE further agrees to retain and make available to independent auditors, State and Federal auditors, and program and grant reviewers all accounting records and supporting documentation for a minimum of six (6) years after the final payment, or until all audits initiated within the six (6) years have been completed, whichever is later. GRANTEE further agrees that, to the extent it is unable to reasonably document the disposition of monies paid under this Agreement, it is subject to an assessment for over-payment.
47. **DWS COST PRINCIPLES FOR COST REIMBURSEMENT AGREEMENTS:**
  - a. Federal cost principles determine allowable costs in DWS grants. GRANTEE may locate the Federal Cost Principles applicable to its organization by searching the appropriate federal government websites.
  - b. Compliance with Federal Cost Principles: For GRANTEE’S convenience, DWS provides Table 1 below, “Cost Principles,” as a reference guide to the applicable cost principles. However, the information in this table is not exhaustive, and GRANTEE understands that it is obligated to seek independent legal or accounting advice. As shown in Table 1, “Cost Principles,” the principles applicable to a particular GRANTEE depend upon GRANTEE’S legal status.

- c. Compensation for Personal Services - Additional Cost Principles:  
 In addition to the cost principles in the Federal circulars concerning compensation for personal services, the following cost principles also apply:
- i. The portion of time a person devotes to a program should be disclosed in the budget as a percent of 40 hours per week.
  - ii. Employees who are compensated from one or more grants, or from programmatic functions must maintain time reports, which reflect the distribution of their activities.
  - iii. If total work time exceeds 40 hours in a week and GRANTEE wants reimbursement for the time devoted to DWS programs over 40 hours, the following two conditions must be met: 1) a perpetual time record must be maintained and 2) prior written approval must be obtained from DWS's Finance-Contracting Division
  - iv. Compensation for Personal Expenses: DWS will not reimburse GRANTEE for personal expenses. For example, spouse travel when the travel costs of the spouse is unrelated to the business activity, telecommunications and cell phones for personal uses, undocumented car allowances, payments for both actual costs of meals and payments for per diem on the same day, and business lunches (not connected with training).
- d. Third-Party Reimbursement and Program Income: GRANTEE is required to pursue reimbursement from all other sources of funding available for services performed under this Agreement. Other sources of funding include, but are not limited to, third-party reimbursements and program income. In no instance shall any combination of other sources of funding and billings to DWS be greater than "necessary and reasonable costs to perform the services" as supported by audited financial records. Collections over and above audited costs shall be refunded to DWS.
48. **ADMINISTRATIVE EXPENDITURES:** DWS will reimburse administrative expenses as allowed by the budget terms of this agreement. GRANTEES with a federally approved Negotiated Indirect Cost Rate Agreement (NICRA) must provide DWS with a copy of their approval letter from the federal cognizant agency along with information on the base(s) used to distribute indirect costs.
49. **CHANGES IN BUDGET (Cost Reimbursement Grants Only):** The budget attached hereto shall be the basis for payment. GRANTEE may not make any adjustment in budgeted funds from Category III, "Program Expenses" to either Category I, "Indirect Expenses" or Category II, "Direct Administrative Expenses" or between Categories I and II, without prior written approval by DWS. Expenditures in excess of those budgeted in either Category I or II may be considered questioned costs. Resolution of such questioned costs will normally result in a request that such excesses be refunded to DWS. GRANTEE may, however, shift between either Category I or II to Category III with prior approval from DWS. Expenditures in excess of those budgeted in Category III will not normally result in questioned costs unless restrictions have been placed on subcategories within this major category. When the grant restricts expenditures within defined subcategories, any unapproved excess will be considered a questioned cost.
50. **NON-FEDERAL MATCH:** For those grants requiring a non-federal match, said match shall be:
- a. Expenses which are reasonable and necessary for proper and efficient accomplishment of the Agreement program objectives.
  - b. Allowable under applicable cost principles.
  - c. Not paid by the Federal Government under another award except where authorized by Federal statute.
  - d. In accordance with the appropriate Federal grant being matched.
  - e. Invoices submitted to DWS should detail the total cost of program expenditures and should distinguish between which expenditures are match and which are requested for reimbursement.
51. **WAIVER:** A waiver of any right, power, or privilege shall not be construed as a waiver of any subsequent right, power, or privilege. The State does not waive its sovereign or governmental immunity.
52. **NOTIFICATION TO THE INTERNAL REVENUE SERVICE:** It is DWS's policy to notify the Internal Revenue Service of any known violations of IRS regulations.
53. **ORDER OF PRECEDENCE:** In the event of any conflict in the terms and conditions in this Agreement, the order of precedence shall be: (i) this Attachment A; (ii) Agreement Signature

Page(s); and (iii) any other attachment listed on the Agreement Signature Page(s). Any provision attempting to limit the liability of GRANTEE or limit the rights of DWS or the State of Utah must be in writing and attached to this Agreement or it is rendered null and void.

54. **SURVIVAL OF TERMS:** Termination or expiration of this Agreement shall not extinguish or prejudice DWS's right to enforce this Agreement with respect to any default of this Agreement or of any of the following clauses: Governing Law and Venue, Laws and Regulations, Records Administration, Remedies, Indemnity, Intellectual Property, Indemnification Relating to Intellectual Property, Insurance, Public Information; Conflict of Terms; Confidentiality; and Publicity.
55. **SEVERABILITY:** The invalidity or unenforceability of any provision, term, or condition of this Agreement shall not affect the validity or enforceability of any other provision, term, or condition of this Agreement, which shall remain in full force and effect.
56. **ERRORS AND OMISSIONS:** GRANTEE shall not take advantage of any errors or omissions in this Agreement. GRANTEE must promptly notify DWS of any errors or omissions that are discovered.
57. **ENTIRE AGREEMENT:** This Agreement constitutes the entire agreement between the parties and supersedes any and all other prior and contemporaneous agreements and understandings between the parties, whether oral or written.
58. **ANTI-BOYCOTT ISRAEL:** If applicable, in accordance with Utah Statute 63G-27-101, GRANTEE certifies that it is not currently engaged in a boycott of the State of Israel and agrees not to engage in a boycott of the State of Israel for the duration of the Agreement.

## ATTACHMENT C: BUDGET INSTRUCTIONS

### Category I: INDIRECT EXPENSES

This category is used if the organization has a federally approved Negotiated Indirect Cost Rate Agreement (NICRA) or chooses a de minimis rate.

- a. NIRCA – If the organization has a federally approved rate, it must be used in Category I, unless the organization voluntarily chooses to waive indirect costs or charge less than the full indirect cost rate. A NIRCA is established on a cost base(s).
  - In the detail information, list the organization’s NIRCA and cost base(s).
  - To determine the amount, multiply the NIRCA against the established cost base(s) amount listed in Category III.

If an organization voluntarily chooses to waive indirect costs or charge less than the full indirect cost rate, please note this in the detail information area. Waving indirect costs or charging less will not influence awarding decisions.

- b. De minimis Rate - If the organization does not have a NICRA and would like to choose a de minimis rate, the organization must certify that they are making this choice. Once an organization chooses a de minimis rate, they **MUST** use this across all grants. The only way for an organization to stop using a de minimis rate once certified is to receive a NICRA. Please use caution when making this choice.

The de minimis rate can be charged at 10% of Modified Total Direct Costs (MTDC). MTDC is defined as being: All direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$25,000 of each subaward.

- In the detail information, indicate that de minimis has been chosen.
