

Form 4/Attachment F - SCORE SHEET FOR EVALUATORS

ApplicantName:	Applicant#:	A	mount Requested:	Evaluator#:			
*Programs must register and maintain a minimum enrollment of 25% of eligible students throughout the HQSR grant period. Instructions: Evaluate the application based on the criteria listed in the rubric. Enter a score of 1-4 for section where indicated. Score as follows: High Quality = 5, Developing = 3, Emerging = 2, Insufficient = 1 No Response = 0							
1. Basic Program I	nformation (15 points + 5 bonus points for Risk	Factor Assessment = 20 Points Possible)					
1a. Description	n of the program and its role within the child care	e program. <i>If applying as a home-based tech</i>	nology provider, please include inform	ation on the role within a private program.			
No Response – (0 Points)	Insufficient – (1 Points) The program is not described clearly. There is no mention of connections between the program, schools and school districts.	The program is summarized. It is unclear if the program has made connections to the schools and school districts where the participating students will attend Kindergarten.	The program is summarized. There is vague mention of the program connecting to the schools and school districts where the participating students will attend Kindergarten.	High Quality – (5 Points) The program is summarized clearly. The program has made strong connections to the schools and school districts where the participating students will attend Kindergarten. The program is intentionally focused to support a comprehensive K-12 program.

Points		Program addresses the standard minimally or fails to demonstrate the elements of a high-quality program.	The program demonstrates some of the elements of a high-quality program.	The program demonstrates most of the elements of a high-quality program. The program demonstrates most of a high-quality program.	 Proposal details a research-based curriculum aligned with the Utah Early Childhood Standards. Curriculum reflects a balance of all areas of learning and is offered in an integrated manner that reflects the holistic nature of learning. Proposal provides a description of how the educational program can be adjusted to be developmentally appropriate for each student. Curriculum, classroom materials, and equipment are appropriate to the developmental levels and unique needs of each student. Throughout this section: Gap analysis clearly describes the current program in context of the required elements. Plan for improvement clearly articulates the program's needs and goals for funding period.

TOTAL Section 4: Sustainability:				/20 Points

No Response – (0 Points)	Insufficient – (5 Point) Expenditures are not adequately explained. Budget narrative does not completely justify each expenditure. Expenditures for student enrollment are included (not allowable). Expenditures are not appropriate and support daily programming or student enrollment. Expenditures do not build long-term program capacity. Expenditures for student enrollment are included (not allowable).	Emerging – (10 Points) Expenditures are explained, but do not directly support the goals and activities of the program. Expenditures are not all directly tied to program development. Expenditures do not supplant current funding. Expenditures may contribute to the program's long-term capacity, but many are short-term purchases.	Expenditures are explained and support the goals of the program. The majority of expenditures are directly tied to program development. Expenditures do not supplant current funding. The majority of expenditures build the program's long-term capacity.	High Quality – (20 Points) Budget expenditures are clearly tied to improved instruction e.g. professional development, curriculum, and materials to support the implementation of the curriculum, coaching, tools for assessing student's progress. Budget expenditures are complete and accurate and meet local procurement processes. Budget narrative explains each item completely and gives calculations to suppor the amount requested. Costs are detailed and reasonable for the size of the program and the quality of the services to be provided. Expenditures are appropriate and support the development of high quality programs including the number of years (1-3) expected to meet quality standards. Expenditures do not supplant current funding. Expenditures build the program's long-term capacity. The budget reflects detailed activities from the program narrative.
