

Please describe efforts you have made in the past to increase staff motivation and longevity: How effective have they been?

Describe how you will encourage staff to continue working in your infant/toddler rooms and/or activities that will be utilized to motivate staff. Describe actions/steps administration will take:

How will you help staff understand their important role as an early childhood professional and help them feel competent in their work?

Write a short narrative explaining how the administrator will support staff over time:

If your efforts will require grants funds, how much in total will be dedicated to staff retention and motivation efforts?
