

**Department of Workforce Services – Safe Passages 2013**  
**Attachment B: Pre-Proposal Bidders Meeting**

Attending the Bidders Conference is not a requirement for applying for the Safe Passages 2013 grant. It is an opportunity to review the RFG and ask questions. Many applicants find it helpful in preparing their grant application. We are providing two options for attending, online or in person in Salt Lake City. Both meetings will cover the same information.
