

III. GUIDELINES FOR A MEMORANDUM OF UNDERSTANDING

A Memorandum of Understanding (MOU) is required of an agency when an application for funds includes an explicit non-financial collaboration with partnering organizations. The MOU provides documentation that demonstrates the organizations have consulted and coordinated the responsibilities of their grant activities.

The following elements should be considered when constructing an MOU:

- Describe each partner agency;
- State the purpose of the MOU;
- Clearly describe the agreed upon roles and responsibilities each organization or agency will be providing to ensure project success. The roles and responsibilities should align with project goals, objectives and target outputs;
- Identify the staff responsible for completing the specific responsibilities, this should include meeting CVSD reporting requirements;
- Describe how the collaboration/partnership benefits the project;
- Describe the resources each partner would contribute to the project. This can be contributing staff time, making in-kind contributions, delivering services, offering training or expertise, etc.;
- Provide a statement that the lead agency accepts full responsibility for the performance of the collaborative organizations/agencies; and
- The MOU must be signed by all partners. Signatories must be officially authorized to sign on behalf of the agency and include title and agency name.

WHEN DO I NEED A MEMORANDUM OF UNDERSTANDING?

A MEMORANDUM OF UNDERSTANDING should be used when you submit a request for application involving a collaborative partner(s) that agrees to provide a non-financial exchange that will enhance the project. Examples include: a work station for an out-stationed advocate or training for staff/volunteers.
