The 2022 State of Utah - Small Cities Community Development Block Grant (CDBG) application cycle is closed.

The 2023 funding cycle will begin in October 2022 with mandatory regional “How to Apply Workshops” held around the state. Awards will be made in the spring of 2023.

Dates and locations of those workshops will be posted on this website in September 2022. Workshop information is also available from the seven regional Associations of Governments.
