 Department of Workforce Services  
**CCQS FAMILY CHILD CARE PILOT APPLICATION  
 RUBRIC EXPLANATION**

The Department of Workforce Services, Office of Childcare (DWS, OCC) is piloting its Child Care Quality System for Family Child Care. To best reflect the diversity of child care programs in Utah DWS, OCC is targeting a variety of licensed family child care programs to participate in the pilot. The rubric used to evaluate applications reflects this goal. In order to be eligible for the pilot, the provider must be licensed (not on a conditional license.) Acceptance to the pilot will be based on a random selection of programs that meet the requirements of each slot. Priority will be given to applicants that have not participated in the Family Child Care Quality Project.
