

**Lean  
on us!**  
the Utah Office of  
Child Care

Here to **support** the child care profession

## Scholarships

Discover scholarships and programs to help you reach your professional goals:

- College tuition reimbursement, CDA, NAC and CCP scholarships, conference scholarships
- Professional development incentives
- FREE membership to Quorum eLearning

## Mental health

Together with the Office of Substance Use and Mental Health, we're offering mental health services to qualified child care providers. See if you qualify by **scanning the code** and completing the survey. You will be contacted within three business days.

801-538-3939 • ccmh@utah.gov

## Courses

Continue your professional learning and take advantage of Care About Childcare's (CAC) virtual and in-person courses for only **\$5** per course! Many courses have recently been rewritten or updated.

## Resources

Find information on the Child Care Quality System (CCQS) as well as educational aids including:
