Monitoring

Overall, excellent!

Some things we are seeing:

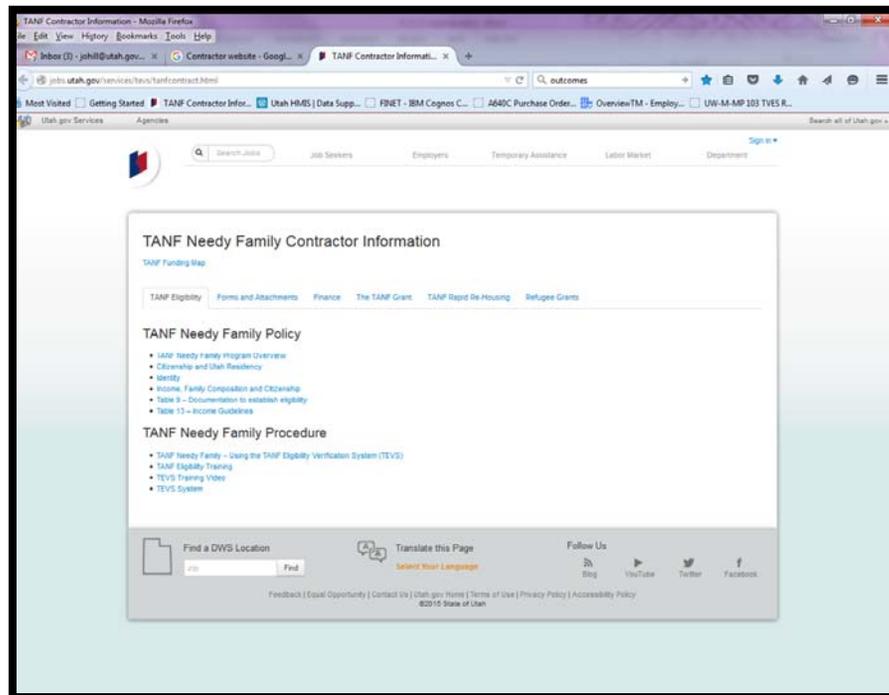

- ❑ Outcomes data collections tool
- ❑ Eligibility
 - ▶ **Form 115**
 - ▶ “Yes” box needs to be checked
 - ▶ Missing name of organization
 - ▶ If sharing case files- make sure to also list the other organization’s name on the form
 - ▶ Missing TANF Eligibility on bottom
 - ▶ **Form 300**
 - ▶ Need Income or myCase printout not both
 - ▶ If Categorically Eligible, only need current myCase/benefit printout and picture ID of parent/adult caretaker
 - ▶ If income eligible need all documentation
 - ▶ Paystubs/benefit printout not consistent with date of application
 - ▶ Paystubs need to be for the full month prior to application (date Form 300 is signed)
 - ▶ myCase/benefit printout need to be for same month of application (date Form 300 is signed)
