Users redirected to the Unemployment Insurance app.

4. Activate account

You should receive an email containing a validation code. Please enter the code before to activate your account. or if you did not receive the email, please click on the "Forgot email?" link at the bottom of this page to submit a "Help Desk" ticket.

5. Utah-ID complete

Users redirected to the Unemployment Insurance app.

(continued)
6. User Account Association

Your Utah-ID needs to be connected to your Unemployment Insurance account. This is a one-time process. Future logins will only require your Utah-ID.

Current Users:

Enter your Unemployment Insurance account email and password to link it with your new Utah-ID.

User Account Association

You have successfully logged in with utah-id. However, your account has not been associated with an existing Unemployment Insurance and New Hire reporting account.

If you are a first-time user of the Unemployment Insurance Portal, you will need to create a new user account. Click here to sign up now.

If you have an existing Unemployment Insurance and New Hire reporting account, please enter the email address and password below.
