Unemployment Insurance (UI) Employer Online Filing Workshops

We are offering a series of 1-hour workshops across the state to demonstrate our employer system for filing the UI Contribution Reports (Form 33H) online. For the first 30 minutes, a UI specialist will walk through the process of creating an online account, adding an existing business to the online account, and filing a Contribution Report (Form 33H) online. The remainder of the hour is available to answer general questions about the UI program and to provide individual assistance with online filing.

If you are unable to attend a session and would like individual assistance with online filing, please call us at 801-526-9235, option 5.

We look forward to meeting with you.
