<b>WEBER</b>	106,496	103,769	2.6	105,576	107,039

Note: Numbers have been left unrounded for convenience rather than to denote accuracy.

Note: Employment numbers are not seasonally adjusted. Therefore, comparisons of employment levels from one month to the next should not be used as job creation/loss estimates between those months. Seasonal factors could be the reason. For example, employment levels in September are usually higher than in August, as school employment resumes.
