<b>WEBER</b>	124,808	125,105	(0.2)	124,531	124,106

Note: Numbers have been left unrounded for convenience rather than to denote accuracy.

Note: County employment estimates are assessed independently of the statewide estimate.

Note: Employment numbers are not seasonally adjusted. Therefore, comparisons of employment levels from one month to the next should not be used as job creation/loss estimates between those months. Seasonal factors could be the reason. For example, employment levels in September are usually higher than in August, as school employment resumes.
